

# WE CREATE. AND YOU?

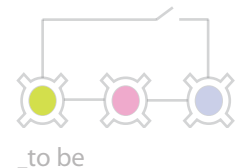

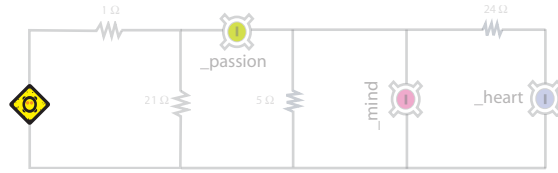

Florilegio Ars Factory is a cultural association that organize new kind of happenings around the national country.

Florilegio Artist's, through an elaborated creative course, exalt poetry, art sensivity and use advance communication to give expression to difficult artist contents.

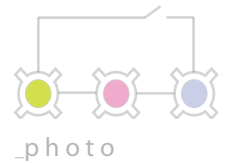

Editorial staff organize happenings and join up different artistic subjets, moving from poetry to painting, from photography to short film, from theatre to music, so involve all the senses in a creative path.

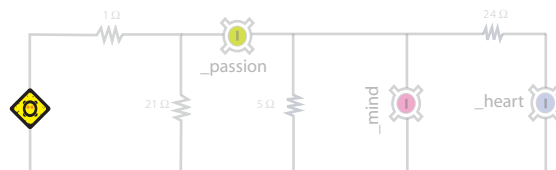

F. A. F. rejects the concept of static events and breaks down barriers. Throught involving performance, promote artist's talent in a extensive and heterogeneous audience.
